Board Meeting Notes.....

Lions are considering having a “hog roast” in the fall as a moneymaking project. Several Lions are exploring locations, potential vendors and the possibility of seeking a donation from a local car dealer to raffle at the event. In put on this potential project is appreciated.

Lion Buckland reported the profit from the May Golf Outing was \$1,247.00. Lion Buckland suggests we continue the golf outing and is exploring dates for next year. It was suggested we increase prices for a “foursome” as we are well below the cost other Clubs are charging for their events.

Lions were saddened by the loss of Lion David Rohrer. David had been an active member for 13 years serving in a variety of capacities. Keep Lion Deloris and her family in your thoughts and prayers as they go through this time of grief.
