Ramp Build, Details to follow.

Wednesday, October 18th: Club
Meeting, PDG Jeff Locke.

Pork Chop Sunday.....

Lions Serving.....

- Lions Buckland, Duke and Reeves spent several hours in August at the Indiana State Fair working with other Indiana Lions to man the gates. Money from working the State Fair goes towards WP Woods Fellowships. Lion Buckland also sent Labor Day Week-end assisting the Centerville Lions Club with the Autumn Oaks Dog show and the Wayne County Fair Grounds.
- In addition, Lions Morris, Poe, Buckland and Talbot have spent many hours maintaining the Ridge Street Park and the Richmond Rose Garden.

Club Happenings.....

Lions and their guests enjoyed an evening of relaxation and fellowship on July 19th at the Ridge Street Lions Park. Thanks to Lions Mark Morris and Sandy Poe for hosting the evening and creating the sign welcoming Lions to the Park. A special touch was the sign welcoming Lions to the park created by Lion Morris.

Board Meeting Notes.....

Following some thought and discussion, it was decided to abandon the thought of having a "Hog Roast" in the fall as a fund raising project. Several reasons for this included: short time period to get an event organized, uncertainty as to number who might attend which would make it difficult for ordering food and supplies.
